The Choice of Chateau Star River Pudong Shanghai

Themed as "Galaxy dream garden", the grand atmosphere, luxuriant decoration, fusion of ancient and modern, connection of the west and east - all makes the hotel an unprecedented model of the baroque style.

When you enter the nearly 12-meter high hall, it feels like walking into a dream garden.

Häfele supplied the door hardware solution for the hotel, including door handles, door locks, electronic locks and door closers. Häfele products – gold color plated brass handle, which suites the hotel's baroque style very well.
