The Choice of Sheraton Huzhou Hot Spring Resort

Häfele supplied door hardware and bathroom fittings to the hotel, including door locks, door closers, handles, bathroom accessories, shower hinges and etc. Häfele hardware brings safety and comfort to the luxury facilities.

The bathrooms use Häfele towel bars, towel racks, paper holders, glass door hinges and so on.

Häfele also supplied door locks and other handles as well as the sliding door hardware. Other Häfele products like concealed hinges, flush bolts, and door closers are widely used in the hidden areas of the hotel.
