- > Requirements: furniture fittings, architectural hardware, electronic locking system, etc.
- > Hardware supplier: Häfele

The main products:

- > Dialock
- > Sliding door
- > Loox
- > TV-Lift

The Choice of Ibis Styles Nagold

Over 2,000 items from Häfele have been put into use at Ibis Styles, where 69 rooms, whatever standard rooms and VIPs, are configured with Häfele hardware solutions creating incomparable functionality and cozy atmosphere, which both facilitate staff daily life and increase the guests comfort experience through.

"Biz Suite" can be transformed to a meeting room which perfectly strikes the balance between work and life. "Experience-Suite" however is a great choice to modern business woman with a big shoe cabinet and separate make-up area. And "Style-Suite" offers a big way to innovations such as mobilizable TV furniture and a bedstand which can be pulled out from a white wall that conceals the access to a walk-in closet, an illuminated clothes rail also helps answering the question "What should I wear today?"
