欢迎来到海福乐！ / WELCOME TO HÄFELE

海福乐为众多国家和行业提供各种各样的解决方案。作为十几个行业的全球五金供应商，海福乐是将木材转换成滑动式墙壁的革新者。

从开始至今，海福乐的目标一直是贴近消费者，更好地了解他们的需求，能认真分析商业环境并更快抓住新的发展机遇。

Häfele represents a world of solutions spanning across many countries and industries. As a global supplier of quality hardware to a dozen industries, Häfele is an innovator for everything from joining timber to moving walls.

From the very beginning it was Häfele's goal to be closer to its customers than anyone else, to gain a better understanding of their requirements, to analyse the business climate more carefully and to identify new improvement opportunities faster.

品牌价值 / BRAND VALUES

回顾公司历史及成功轨迹，两大核心价值观塑造了我们的品牌精髓：“以客户为中心的热情”“高瞻远瞩的企业家精神”。

我们与客户保持密切联系，从中获取的经验与我们的企业精神相一致：远见、想象力、坚定信仰的勇气、金融投资的实力和意愿以及勇作先锋的气概。至今，这样的远见造就了许多新产品和产业链、更多有效的工序、更多创新的服务以及以客户为中心的解决方案。

这些发展使我们向您靠得更近。

When we review our company's history and our successful track record to date it clearly identifies two core values that shape the very essence of our brand: "passionately customer-focused" and "visionary entrepreneurial spirit".

The knowledge we gained as a result of our close relationships with customers was always paired with our entrepreneurial spirit: foresight, imagination, the courage of our convictions and the financial wherewithal and willingness to invest and do what it takes to always be one step ahead of the game. To date, this forward-looking approach results in new products and product ranges, more efficient processes, innovative new services, customer-centric tools and solutions.

And these developments continue to bring us closer to YOU.

海福乐竞争力 / HÄFELE COMPETENCES

产品发展和创新——与海福乐一起，始终走在发展的前端

PRODUCT DEVELOPMENT & INNOVATION – ALWAYS A STEP AHEAD WITH HÄFELE

对我们而言，创新意味着与客户的需求保持一致，我们依靠敏锐的市场洞察力，以及同全球合作伙伴的紧密合作，发展、生产、优化五金，以满足您的需求——有效地为客户需求而制造。

海福乐的优势：

- 为您的家具提供量身定制的五金解决方案
- 对现有产品进行改造与改进来满足客户的要求
- 具有材料、加工方式和应用科技方面的专业知识
- 缩短流程、降低成本
- 满足家具的品质及生产要求

To us, being innovative means perpetually keeping our customers' needs and desires in sight. We rely on intensive market observation and close cooperation with global partners. This is how we develop, produce and optimise fittings to your needs- efficiently and customised for you.

Your advantages:

- Customised, individual fittings for your furniture
- Improvement and adaptation of existing products to meet customer specifications
- Extensive knowledge of materials, processing methods and application technology
- Reduced process and production costs
- Fittings that are appropriate to the furniture quality and production process

包装——根据客户需求

PACKAGING – AS PER CUSTOMER INSTRUCTIONS

我们的产品包装依据客户的需求开发，将自动和手动化程序集合，产生优化的解决方案——让单位数量、零件和形状在实际操作上成为可能。3000平米的生产车间、14个高科技包装系统、3班倒工作，在同一区域更可靠、快速、节约成本地生产所需包装袋和包装盒。

海福乐的优势：

- 开发个性化的包装理念
- 手动与自动化制作相结合
- 全面的质量控制措施保证了包装的生产，大大降低了回收率
- 每一个订单都可以快速地出货
- 服务范围广：五金袋装、袋袋套装、袋盒套装、盒子包装

We develop and realise individual packaging for customers. Optimal customer solutions result from a clever combination of automatic and manual processes - virtually any unit quantity, composition and shape are possible. 14 highly advanced packaging systems work three shifts per day in our 3,000 qsm production facility, to reliably, quickly and cost-effectively produce virtually all bag and box packaging desired and used in the sector.

Your advantages:

- Development of individualised packaging concepts
- Manual and mechanical processing of individual articles
- Comprehensive quality controls ensure almost faultless packaging of contents and minimize return rates
- Every order is promptly forwarded to shipping
- Broad range of services: Fitting bags, bag-in-bag packaging, bag in box, box packaging

系统化解决方案 —— 协同合作，提高效率

SYSTEM SOLUTIONS – CREATING SYNERGIES, INCREASING EFFICIENCY

节约成本意味着从计划阶段就要对产品整个价值链的各个因素进行分析，包括过程中涉及的工程规范。这意味着我们需要在开发阶段依据客户的需求考虑特殊功能来设计。整合化的解决方案保证了高效率 and 系统因素的高兼容性，同时保证了产品的可持续发展。

海福乐的优势：

- 在设计、生产和组装领域，我们的系统解决方案都具有附加价值
- 可持续性：在每一个开发项目中，我们都致力于生产系统可兼容组件
- 全球范围内，经验丰富的合作伙伴，保证了产品供应的最高标准
- 全球采购使采购成本降低
- 灵活的生产模式令我们对客户的反馈，即便是特殊的需求，也可以做出快速的回应。
- 创新的生产模式能满足产品改造的需求——在任何时候不增加任何费用
- 持续监督保证产品质量的一致性
- 在产品供给和数据流程方面不断优化

Cost-effectiveness means analysing all factors along the entire value chain of a product right from the planning stage and including all involved engineering disciplines in the process.

This allows us to take into account the specific functionality and design requirements of our customers right from the development phase. This integrated approach guarantees maximum efficiency and compatibility of the system elements, while also ensuring that the products are highly sustainable.

Your advantages:

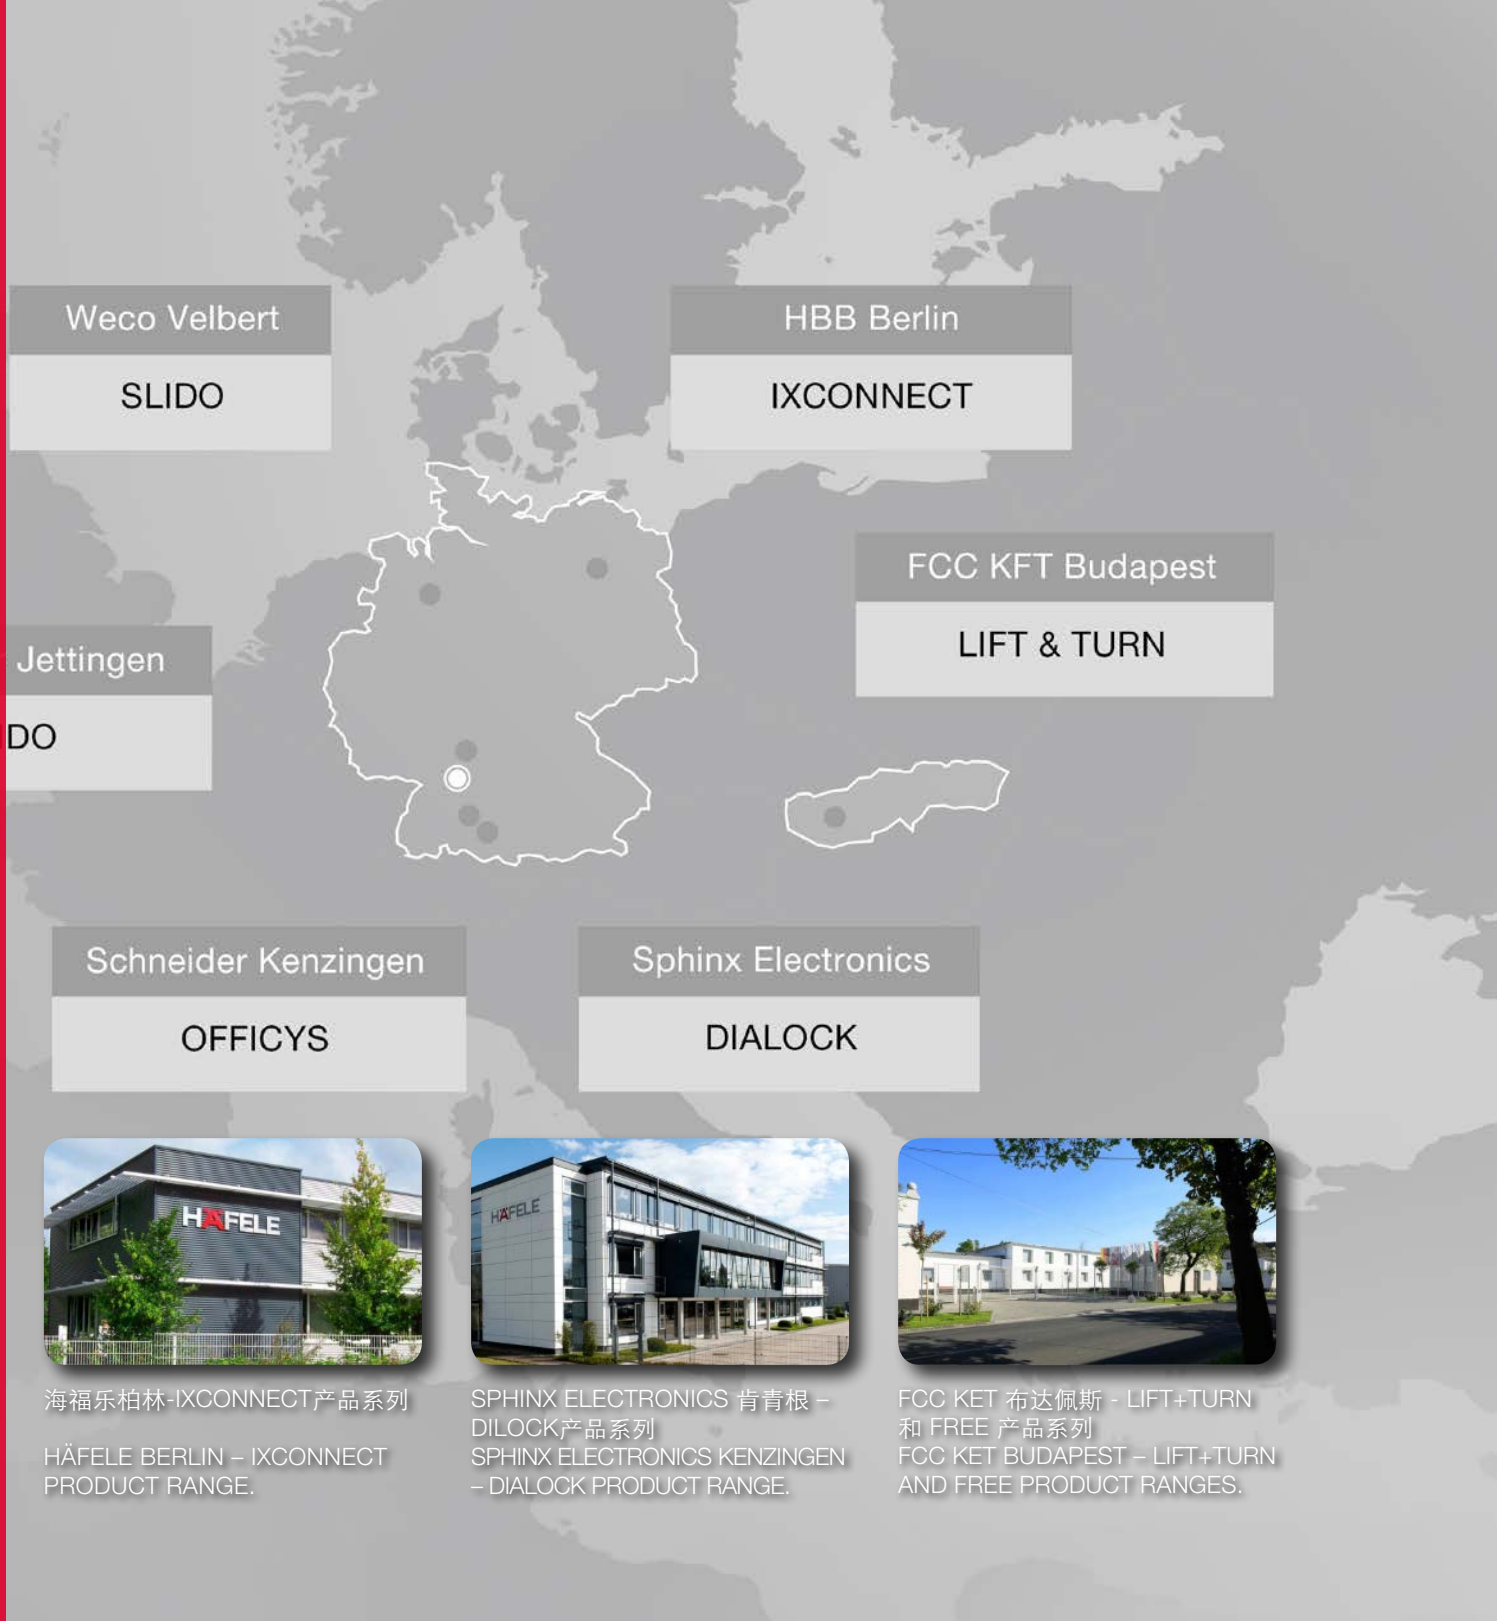

- Our system solutions deliver added value in the areas of design, production and assembly
- Sustainability: We strive for system-capable components in every development project
- Experienced partners around the world guarantee products that meet the highest standards
- Our large procurement quantities ensure optimal value for money
- Flexible manufacturing processes enable us to respond rapidly, even to unusual customer requests.
- Innovative production methods allow for adaptation to meet changing product requirements - at any time and without additional expense
- Constant inspections ensure consistent product quality
- Constant optimisation of product supplies and data flow

THE 3 PILLARS OF OUR BUSINESS

PROJECT BUSINESS
The project business is networked internationally. The contacts change from one project to the next: it can be a central purchasing department, or the builder, the developer, a consultant, the Architect or a Special Planner that will be our contact. Our ability to create and lead network has made us a preferred supplier in the project business. We inspire our partners through our 360° project service and manufacturer independent procurement.

INDUSTRY
The Furniture Industry is a highly competitive market segment and has multifaceted needs. The services provided to the Furniture Industry go well beyond the sale of products. In the focused cooperation between Häfele and Furniture Manufacturers, new innovative products are developed and standard products are improved to suit the manufacturing process of each customer.

DEALERS
The DIY market is growing steadily. End-consumers and small decoration companies are served directly by our more than 30 franchise shops around China. To make it even more convenient Häfele products can be also purchased via the Häfele online-shop on Tmall.

360° PROJECT
SERVICE.

一站式服务

HELPING YOU PUT THE PIECES TOGETHER

完成一个新的项目需要花费数年的时间，并且后续的配套需求也接踵而来，如策划、投标、下单、订单处理和后期运营等。

基于特定的市场需求和90多年的专业背景，海福乐全方位的项目服务让您无后顾之忧。

丰富的家具五金和建筑五金产品线及完善的服务体系，有效地减缓了地产开发商、建筑师、规划师和加工公司的压力。

It takes time to complete a new building and carry out the work that is subsequently required. Planning, tendering and order placement, order processing and the post-handover phase each have their own requirements.

Based on specific market demands and with a background of over 90 years experience worldwide, Häfele's 360° Project Service represents a portfolio of services that can meet these needs.

A comprehensive service on the one hand and an extensive range of Architectural Hardware and Furniture Fittings on the other hand effectively relieves the pressure on Property Developers, Architects, Planners and Processing Companies.

强大的项目支持与服务体系

COMPETENCE IN PROJECT SUPPORT & SERVICES

在计划阶段，海福乐全方位的项目服务提供包括：计划说明书、基于特定主体的招标文件、应用实例、召开研讨会及其他计划支持，如安装说明书、安装视频和现场支持。

然而，计划也意味着：计算、评估和对比。其中很关键的目标之一就是找到并确定最适合的解决方案。

海福乐技术团队可以协助整合和调整五金方案组合，并根据具体工程要求采取相应的解决方案。

我们是建筑师、施工方、投资商、专家、咨询方和承包商的解决方案提供者。

During the course of planning, 360° Project Service provides assistance with the creation of detailed planning manuals, tailored seminars addressing specific topics, tendering texts, application examples, and other planning and support such as mounting instructions, mounting video, and onsite support.

However, planning also means: calculating, evaluating and comparing. One of the objectives of project advice is to look for and find the best individual solution for the project.

Häfele's specification team can assist with integrated and coordinated hardware selection and prepare clear and precise door schedules according to specific project requirements. We are competent, solution oriented partners for architects, builders, investors, specialists, consultants and general contractors.

订单处理和移交

ORDER PROCESSING & HANDOVER

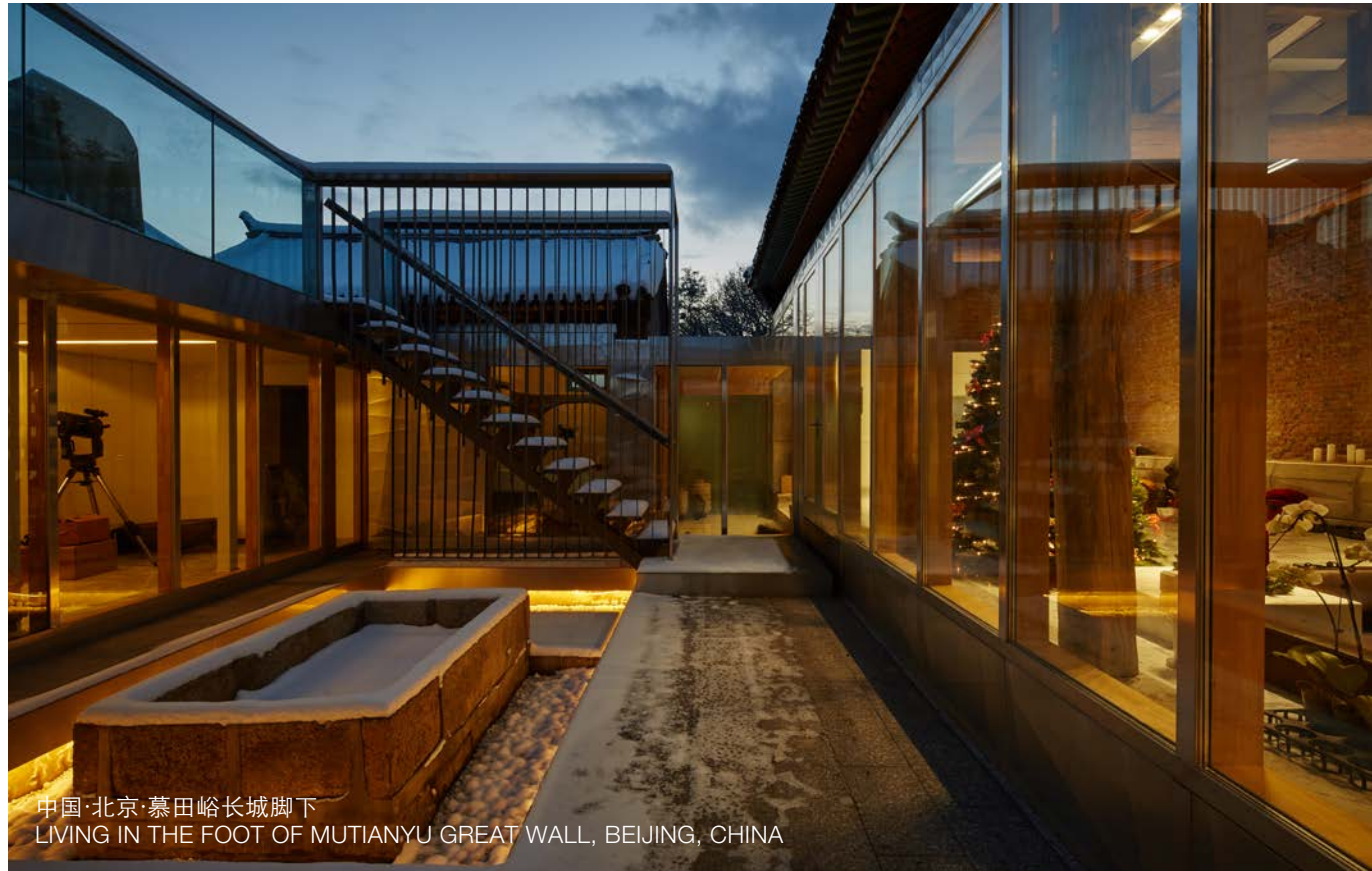

在整个施工阶段，海福乐协调和跟踪所有节点和物流服务。这得益于我们独立的物流体系和及时的交货能力。海福乐拥有全球一体化销售网络和最先进的物流中心。

Häfele coordinates and monitors all deadlines and logistical services over the entire construction period. This is made possible because of our individual construction site logistics and just-in-time delivery capability, which Häfele provides with its global sales network and state-of-the-art logistics centers.

住宅 / RESIDENTIAL

酒店 / HOTEL

洲际、希尔顿、华尔道夫等酒店集团以及众多五星级和四星级的精品酒店均依赖海福乐提供的产品和服务。我们良好的声誉使得我们成为一个值得信任和忠诚的合作伙伴。从工程最初的设计到安装阶段，我们都提供尽善尽美的支持。
Hotel Groups like Intercontinental, Hilton, Waldorf Astoria, and many more 5 and 4 star and design and boutique hotels count on the products and services Häfele delivers to them. Our worldwide excellent reputation makes us a trustful and loyal partner, supporting the project from the very beginning- the design phase - to the installation on site.

该酒店由台湾著名设计师邱德光先生联合设计。以“星梦公园”为主题，大气、奢华、融贯古今、中西合璧——展现了前所未有的巴洛克风格。海福乐为酒店提供门五金方案：门把手、门锁、电子锁和闭合器，海福乐的镀金黄铜把手与酒店巴洛克风格相得益彰。This hotel is co-designed by Mr. Qiu Deguang, one of the leading designers in Taiwan. Themed as “Galaxy dream garden”, the grand atmosphere, luxuriant decoration, fusion of ancient and modern, connection of the west and east - all makes the hotel an unprecedented model of the baroque style. Häfele supplied the door hardware solution for the hotel, including door locks, electronic locks and door closers and gold color plated brass handle, which suites the hotel's baroque style very well.

该豪华酒店由建筑师马岩松设计，坐落于太湖湖畔，因其形状似月亮被称为“月亮酒店”。

海福乐为酒店供应不同种类的门五金和卫浴五金。

海福乐为酒店带来了安全和舒适的豪华体验。

The luxury hotel is designed by the architect Mr. Ma Yansong. It locates on the shores of Lake Taihu, and cause of its shape called "Moon Resort".

Häfele supplied different kinds of door hardware and bathroom fittings to the hotel.

Häfele hardware brings safety and comfort to the luxury facilities.

养老院 / SENIOR LIVING

随着年龄的增长，记忆力会逐渐减弱。在退休老人及养老院中，痴呆症随处可见，并往往伴随着身体上的残障。

因此建筑师开始着手建造更利于痴呆症患者居住的房屋和设备。

The ability of remembering is fading quickly with people are getting older. Dementia is commonly seen in their daily routine in retirement and nursing homes sometimes paired with some physical disabilities.

On which operators and architects are getting into the task of offering more dementia-friendly building and facilities alike.

维特纳斯阿尔茨海默疗养中心位于马格德堡，为127位患者提供6种不同的疗养理念。在这种情况下，所有的贵宾都能得到量身定制般的优质服务。

海福乐提供了 Dialock 电子锁系统和 Alasept 抗菌把手，为此工程做出了巨大贡献。

Vitanas dementia center, located at Magdeburg, provides six different concepts of housing for 127 people. In that case, all the guests can be obtained a corresponding custom service.

Häfele made a valuable contribution to the success of the project with the electronic locking system Dialock and antibacterial handle Alasept.

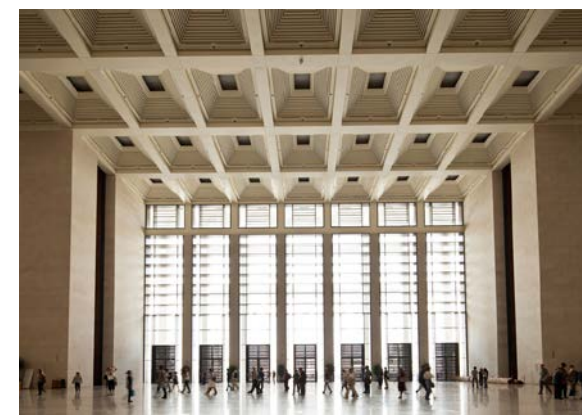

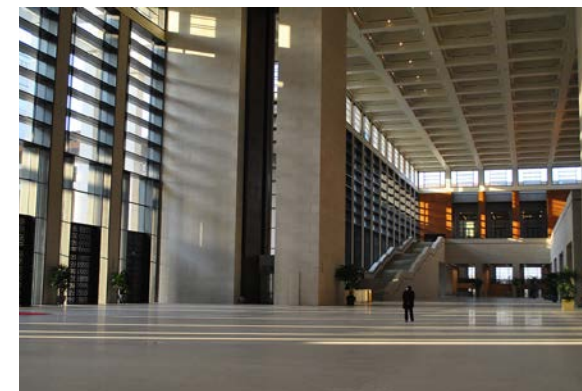

商业 / COMMERCIAL

商用建筑在耐用性和安全性上有较高要求。我们专业的销售团队和五金配置小组为您的需求提供定制化的解决方案。我们所取得的国内外的测试规范和认证能保证高质量和高持续性。
